RE: ANGLIN V. ASTRUE - 07-CV-6471L

Dear Mr. Anglin:

I have your motion to remove restrictions on Pacer (Dkt. #20) so that you may view documents on-line. I must deny your motion because you have elected to proceed *pro se* at this stage of the case, and *pro se* parties do not have access to the docket sheets electronically since litigants are not permitted to electronically file documents. You are entitled to have copies of the docket sheet and all documents and filings should, of course, be mailed to you. Therefore, you should have access to all relevant documents.

IT IS SO ORDERED.

Very truly yours,
